5 Myths About Sex Therapy:

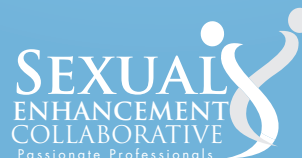

- ✓ **Sex therapy takes a long time.** Not necessarily. Most courses of therapy last from 5-10 sessions.
- ✓ **Sexuality is only for young people.** Wrong, wrong, wrong. With advances in medicine, sexuality is now truly ageless.
- ✓ **The therapist will be judging me and the way I choose to express my sexuality.** Absolutely not true. We foster healthy sexuality free of judgment.
- ✓ **Chronic diseases are pretty much the death of sexuality.** You've struggled enough and sexuality is one way of finding pleasure in your life again.
- ✓ **Menopause is my whole problem and I just need to wait for it to end.** Menopause can take 10 years – don't wait – we can help. You don't have to suffer.

Featured Therapist – Jane Parker

Who is Jane?

- ✓ Jane spent her first 20 years at an OB/GYN Clinic helping women with their sexual & reproductive difficulties.
- ✓ Helping people with their sexuality proved to be Jane's passion and one of her gifts. She pursued formal training in sex therapy and now specializes in seeing clients struggling with sexual issues.

What Are Her Qualifications?

- ✓ Certified Nurse Practitioner (CNP)
- ✓ Advanced Practice Registered Nurse (APRN)
- ✓ Diploma from the Florida Postgraduate Sex Therapy Training Institute

What Makes Jane Different Than Other Sex Therapists?

- ✓ Jane has a medical background – so she will assess both the physical and emotional aspects of your problem.
- ✓ There's a decent chance your insurance will cover her services.
- ✓ Jane is practical & to the point. She understands you don't want to be in therapy any longer than necessary.
- ✓ Jane spent 20 years in an OB/GYN clinic – she is profoundly knowledgeable about the female body and mind.
- ✓ Jane can prescribe medications.
- ✓ Jane can order blood tests to rule out medical causes.

IT DOESN'T HAVE TO BE LIKE THIS.
